SCADA PROJECT MANAGER

You are an experienced **SCADA PROJECT MANAGER** who is looking for a position that will propel your career in the renewable energy field. You are willing to join a dynamic, devoted and motivated.

✓ About us

The Ohmega Group team is comprised of highly skilled professionals who are passionate about renewable energy and the exciting opportunities it offers. Originated from Quebec and established since 1982, we are specialised in automation and Industrial Computing. The company is in a sustained growth phase across North America.

✓ Candidate profile

You will be capable of succeeding in complex technical environments, with significant experience and a good understanding of the different stages of a project. You will estimate and provide recommendations based on industry best practices.

✓ Your role

- Manage, plan, coordinate and oversee the implementation of industrial projects (evaluation, development, installation and commissioning, maintenance and optimization) according to the availability of human, material, financial and information resources;
- Lead and coordinate project activities end to end;
- Coordinate and/or carry out on-field interventions and participate to the remote support of our client's operations.

✓ What we are looking for

Must have:

- Bachelor degree in electrical engineering with an automation profile or other related field;
- More than 5 years experience in a similar role;
- Knowledge of SCADA and HMI;
- Knowledge of communication protocols used in industrial environment;
- Excellent writing and communication skills.

Nice to have:

- Good knowledge of virtualisation methods, software, servers and storage;
- Experience with IT, networking and Cybersecurity equipment, with different manufacturers;
- Knowledge of French.

✓ What we offer

- A permanent and full-time position;
- An attractive remuneration based on your experience;
- A medical, salary, disability, life insurance program;
- Possibility to contribute to a Registered Retirement Savings Plan jointly with the employer.

Three (3) possible Workplaces

3 rue des Cerisiers, Gaspé, QC
